Staying current as a BLS provider requires routine recertification every two years.

Pediatric Advanced Life Support (PALS) Provider – Recertification

2 days | 8am-5pm | \$135

- Aug 31 Tue
- Nov 15 Mon
- Nov 17 Wed

Staying current as a PALS provider requires routine recertification every two years.

For additional information and to register for these or other courses visit us at:

www.cpc.mednet.ucla.edu

Continuing education credit is available for most courses. Courses with an asterisk do not offer prehospital CE hours. The Center for Prehospital Care is an approved Continuing Education Provider for the California EMS CEP, 19-0307; California Board of Registered Nursing, CEP-12416; and California Dental Board, 3910. The number of CE hours and objectives are available upon request.

Please note, refund and transfer requests must be made in writing and received by our office no later than fourteen days prior to the start date of course. An administrative fee will be assessed. A full refund will be issued in the event of a course cancellation. Payment plans are available.

Disclaimer: The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for this course, except for a portion of fees needed for AHA course materials, do not represent income to the Association.
